

Oakhall Church BUILDING

BULLETIN
MAY 26TH 2013

This week, we have asked a few to share their prayer for the new church building. Their thoughts are inspiring!

COLLEEN:

"That it would be a home away from home: filled with warmth, life and love..."

ADAM:

"...a hub for young people in Caterham..."

COLIN & PAULA:

"...used by the community for the community - a place to inspire!"

ABI & ABI:

"...a light on the hill, a centre for truth..."

COME ON A MYSTERY TOUR! We are all thinking about how to support the project... Here is a novel plan from the expeditions team:

"Saturday June 15th, take the day out and enjoy a mystery tour! For only £5, we will leave Westway at 9am and return at 6pm. All of the £5 from each ticket will go directly into the fund for the new building.

"Bring friends, relatives, neighbours to share the adventure, meet others from Oakhall Church and support this building project.

"Just bring a picnic lunch and be ready for a day of exploration - plenty of fun guaranteed! Suitable for all age groups. Book by calling 01732 763131."

PRAYER POINTS FOR NEXT WEEK:

- 1) For a **God-inspired vision** to continue to infuse this work that much eternal fruit will result...
- 2) **John Martyn** and hard working building teams.
- 3) For some of our new neighbours to connect with us at **DeFest** this weekend.
